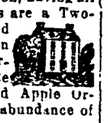
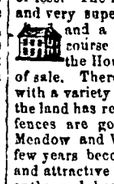
Three Valuable Farms

AT PUBLIC SALE.—On FRIDAY and SATURDAY, the 12th and 13th days of OCTOBER next, the subscribers, Executors of Jacob Sheely, deceased, will offer at Public Sale, the following Real Estate, viz:

No. 1.—A GOOD FARM, situate in Mountjoy township, Adams county, 3 miles south of Gettysburg, near the Baltimore turnpike, adjoining lands of Andrew Beitler, M. Fiscel, and others, containing 108 ACRES and 53 PERCHES, with a due proportion of Meadow and Woodland. The farm is beautifully located, and is in a good state of cultivation, having all been limed. The improvements are a Two-story STONE HOUSE; a large and good Bank Barn with Wagon Shed and Corn Crib attached, Carriage House, Hog Pen, Smoke House, &c. There are two good Apple Orchards on the premises, with an abundance of other fruit trees and vines.



No. 2.—A FARM, situate in Franklin township, Adams county, 1 mile east of Cashtown, on the road leading from Mummasburg to Chambersburg, adjoining the Mansion Farm, and adjoining lands of John Burt, Peter Comfort, and others, containing 109 ACRES, more or less. The improvements consist of a large and very superior Bank Barn, just finished, and a commodious BRICK HOUSE in course of erection. It is expected that the House will be completed by the day of sale. There is an Apple Orchard thereon, with a variety of other fruit trees. A part of the land has recently been limed. The outside fences are good. There is a sufficiency of Meadow and Woodland. This place will in a few years become one of the most beautiful and attractive homes in the country. Pleasantly and beautifully located in one of the finest farming regions in the State, this Farm offers a rare chance to capitalists.



No. 3.—A TRACT OF CHESTNUT TIMBER land, lying in Franklin township, adjoining lands of John Hartman, and Moses Hartman, Esq., containing 12 Acres, more or less.

No. 4—THE MANSION FARM, situate in Franklin township, Adams county, 1 mile northeast of Cashtown, on the old Menallen road, adjoining lands of John Deardorff, Peter Shull, and others, containing 318 ACRES, more or less, about one-third of which is in excellent Timber, such as Chestnut, White and Black oak, Rock oak, Poplar, &c.

The improvements are a large Two-story DWELLING, one part of stone, and new, and the other log and Weatherboarded. The old part has been recently repaired and repainted, and is now as good as new. The Barn is Bank, very large and good. It has recently been very much enlarged and improved, and will now stable from 18 to 20 horses and as many cows. There is a very large Wagon Shed and Corn Crib attached. The out-buildings are a Carriage House, Spring House, Wash House, Smoke House, Blacksmith Shop, &c. The land has nearly all been limed once, and some twice, and is now in the highest state of cultivation. It is generally conceded that this is one of the best and most productive farms in the county. Nearly every field has either a spring or a stream of running water in it the year round. Hence it is well adapted for stock raising and dairy purposes. The farm is under good fencing. There are three excellent Apple Orchards on the premises, with an abundance of Peach, Cherry, Pear and other fruit trees. Fruit seldom fails here. This Farm need only be seen to please—rarely does one like it get into market.

Persons wishing to view Farm No. 1 will please call on Mr. C. Snyder, its occupant, or Aaron Sheely, residing in Gettysburg, and those wishing to view the other properties will call on the family of said decedent, residing on the Mansion Farm.

☞ Farm No. 1 will be offered on the premises, at 1 o'clock, P. M., on Friday the 12th, and the other properties will be offered on the premises, at 10 o'clock on Saturday, the 13th day of October, when attendance will be given and terms made known by

THE WHOLE TICKET!

HOW IT IS TO BE VOTED.

The Legislature, last winter, passed a law which changes the manner of voting. All State officers voted for will be voted for on one slip, labeled "State;" all county officers and members of Congress, Senators, and members of the Legislature voted for, will be voted on another slip, labeled "County;" and all Judges of Courts voted for, will be voted on still another slip, labeled "Judiciary;" which divides the ticket, at the present election, into *three slips. All tickets should be ready cut, folded and tied, before election-day.* Let Democrats attend to this everywhere, and see that *all the ticket* is included in their ballot. The ticket has been printed as follows:

STATE.

A FEW THOUGHTS FOR WHITE MEN.

Are you in favor of denying your family the comforts of life to yearly contribute eleven millions of dollars to the support of idle and lazy negroes?

Are you willing to take the money which has been earned by the sweat of the white man's brow and lavish it upon a set of worthless freedmen?

Are you content to toil and labor amid the snows of winter and the heat of summer to keep a negro standing army of 47,000 when there is no war in the land and nothing for a colored army to do?

Do you believe there is any necessity for a change of the Federal Constitution by which negroes are elevated to a social and political equality with white men?

Do you think negroes were more patriotic and made more faithful soldiers than the "white boys in blue" during the war, and that they should get $300 bounty when our white boys get but $100?

Are you in favor of the Union of all the States, a return to the peaceful days of the past, against disunion and radicalism. If you are, vote for HIESTER CLYMER, SHARPE, and THE WHOLE DEMOCRATIC TICKET.

RADICAL LOVE FOR THE SOLDIER.

Black Soldier.—Massa, I come for my Extra Bounty of $300, what Congress gives me.

Paymaster.—All right, my brave man, here is your money.

White Soldier.—I come for my Extra Bounty of $100.

Paymaster.—I am very sorry, but Congress has made no appropriation for you.

☞ Let every voter remember that Geary said in a speech at the Lochiel Iorn Works, near Harrisburg:

WHEN THE QUESTION OF NEGRO SUFFRAGE COMES UP, I SHALL BE READY TO MEET IT, AND I WILL SAY I AM NOT PREPARED TO DENY THE RIGHT OF VOTING TO THE COLORED MAN.

☞ When the bill to give $500,000 to the Chambersburg sufferers was before the House at Harrisburg last winter, Mr. Houck was urged to offer an amendment giving a small indemnity to the sufferers of Adams county. He declined, giving as an excuse that "it might interfere with the Chambersburg bill." Think of that, sufferers! Your representative willing to neglect you, for the sake of accommodating people outside of his own district!

EXTRACT FROM LINCOLN'S SPEECH DELIVERED AT CHARLESTON, ILL., SEPT. 13, 1858.

The speech from which we take the following extract was published in 1860 as a campaign document by the Republican party, and can be found in the published speeches of Lincoln and Douglas, in joint discussion, as revised by Mr. Lincoln, on page 186 of that document:

"While I was at the hotel to-day, an elderly gentleman called upon me to know whether I was really in favor of producing a perfect equality between the negro and white people. While I had not proposed to myself on this occasion to say much on this subject, yet as the question was asked me I thought I would occupy perhaps five minutes in saying something in regard to it. I will say then that I am not, nor ever have been, in favor of bringing about in any way the social and political equality of the white and black races—that I am not nor ever have been in favor of making voters or jurors of negroes, nor of qualifying them to hold office, nor to intermarry with white people; and I will say in addition to this that there is a physical difference between the white and black races which I believe will forever forbid the two races living together on social and political equality. And inasmuch as they cannot so live, while they do remain together there must be the position of superior and inferior, and I as much as any other man, am in favor of having the superior position assigned to the white race."

Such were the views of Abraham Lincoln, but such are not the views of the leaders of the Republican party to-day. They now endorse negro equality fully, and are laboring with all the might that is in them to break down every legal barrier that has been wisely erected to perpetuate the supremacy of the white race. Let every voter look at the rapid strides which are being made toward entire political and social equality. Let him remember that General Geary declares that he fully endorses all the odious doctrines of Thad. Stevens. A vote for Geary is a vote for negro equality.

THEN AND NOW!

In a copy (now before us) of a Republican paper printed in this town, in 1864, we notice the following call for meetings at Arendtsville, Bragtown, and eight other places:

"The citizens of Adams county, who are in favor of the election of the TRIED PATRIOTS and STATESMEN, ABRAHAM LINCOLN and ANDREW JOHNSON, who are opposed to a dissolution of the Union and the ruin of the Republic, are invited," &c.

The same Andrew Johnson thus extolled in 1864 is now, *President of the United States*—and yet the paper which then pronounced him a TRIED *Patriot and Statesman*, now denounce him as a *scoundrel* and a *traitor!* Why? Simply and only because he will not adopt and lend the weight of his official position towards building up the unnatural and crazy doctrine that white and black men are equal. This is the height of his offending. *White* men, can you refuse to stand by him?

ANDY CURTIN'S OLD HOME.

In Bellefonte, (the county seat of Centre,) where the Radicals control the municipal offices, negroes are employed in preference to white men, to do the work of the borough. A correspondent of the *Age* gives the following particulars:

"The Town Council of Bellefonte Borough is Abolition, every member of it being a Radical. They had a letting recently of a contract for laying water-pipes. There were many bidders, and among them a negro and a white *wounded soldier.* Their bids were about the same, the white soldier's being a fraction less than the negro's, but the black man got the contract, and at this hour has twenty-five or thirty negroes at work in the streets of Bellefonte, while white men are looking on without employment.

CHANCE FOR AMBITIOUS MEAN WHITES.

The negro Fred. Douglass, when attending the Philadelphia Convention, along with Curtin, Geary, Forney, Cameron and Beast Butler, in the speech he made on the same stand from which Senators Chandler and Yates addressed the mean white men there assembled, made the following demand for the negroes in the United States:

"A thorough and complete incorporation of this whole black element into the American body politic, (cries of 'Good!') with a right to the jury-box, the witness-box and the ballot-box." [Applause.]

Every white man in Adams county who would like to be incorporated with niggers, and sit with them in the jury-box and the witness-box, and vote with them at the ballot-box, ought to support John W. Geary for Governor. Geary's election would bring all this about.

SPLITTING TICKETS.

In a great contest like the pending one, where the union of the States and the honor and dignity of the white race are at stake, the Democratic party wants every man to do his WHOLE DUTY. It wants no half-way service from any of its members. The splitting of a ticket, this fall, by any Democrat, will be next thing to a crime. The questions at issue are too vital to admit of any trifling with the result. The Democrat who scratches one name from his ticket contributes just one vote toward disunion, and one vote toward lowering our hard working, tax-ridden laboring men to the level of the nigger. Vote the whole ticket. There is not a man on the ticket, from Clymer down to our lowest county nominee, who is not *a good Democrat.* Can you prove untrue to such a one (no matter what your *personal* feelings toward him may be) at the expense of lending aid to elect a niggerite? DON'T DO IT! There is danger in it, and you may see the day that you will curse your own stupidity and folly for doing so.—*Fulton Democrat.*

☞ A big buck negro one day last week amused himself by shouting for Geary in the streets. Several of the "loyal" whites immediately took him in charge, and after considerable negotiation succeeded in getting his mouth stopped at an expense of fifty cents. It won't do for darkeys to hurrah for Geary until *after* the election. We advise all darkeys who are short of funds to levy black mail and hurrah for Geary. They will soon be paid to shut up.—*Reading Gazette.*

THE CRISIS!

THE PEOPLE WAKING UP!

They are Rallying under the Flag of Thirty-six Stars!

None but White Men shall Rule!

AT IRISHTOWN.

Saturday night week proved to be rainy, dark and disagreeable, but all that did not prevent a large turn out at the Johnson and Clymer meeting at Irishtown. It was truly a most cheering rally of the Democracy of that section, in numbers as well as enthusiasm. The officers of the meeting were:

President, Matthias Martin.

Vice Presidents, Henry J. Kuhn, David Lawrence, John Klunk, Frederick Wolf, Patrick Daugherty, George Smith, Francis Marshall, Capt. Thomas Brady, Jacob Bollinger, Samuel Brady, Daniel Lawrence, Alexander Jacobs, Henry Wiest, F. J. Wilson, Samuel Hilt.

Secretaries, D. C. Smith, F. C. Heltzel, J. E. Smith, Frank. Smith, William Adams, Nelson Young.

Speeches were made by Dr. D. S. Peffer, Jesse D. Newman, Esq., J. H. White, Esq., and H. J. Stahle, when the meeting adjourned with thundering cheers for Johnson, Clymer and the whole Democratic ticket.

The Irishtown martial music was brought out on the occasion, which stirred up the echoes most beautifully.

AT CONRAD WAGNER'S.

On Monday evening, notwithstanding the short notice, the meeting at Conrad Wagner's, in old Mountpleasant, was handsomely attended—and the right feeling prevailed. Jacob Klunk, Esq., called the meeting to order, and proposed the following officers, who were unanimously chosen:

President, Elias Sponsler.

Vice Presidents, William H. Lott, Samuel Faber, James C. Butters, Elias Eckenrode, Jacob Lawrence, David Nary, Franklin Hagarman, Lewis Will, John Walter, John Cover, G. B. Yantis, John Kinchler.

Secretaries, Dr. T. O. Kinzer, Dr. C. W. Benson, Joseph Bederman, Dr. E. F. Shorb, Daniel Lawrence, Francis Stolly.

The meeting was addressed by W. S. Stenger, Esq., E. B. Buehler, Esq., Wm. McClean, Esq., Jesse D. Newman, Esq., Dr. D. S. Peffer and Dr. W. J. McClure, when it adjourned amidst much enthusiasm.

TOO MUCH WOOL.

From all parts of the State we hear good news. The Negro Suffrage doctrine don't go down. The Republicans cannot swallow it. A friend writes us from Dauphin county that we can expect a Democratic gain of 500 votes in that quarter. In Clinton county scores of Republicans announce their intention of voting against Negro Equality and Negro Suffrage. Above all, there is a chance this fall for a fair count of the votes cast. Remember these things, fellow Democrats, and work with courage and hope. The skies are brightening! From every quarter the Republican Disunion conspirators hear the cry of "too much wool."—*Clinton Democrat.*

☞ The Republicans are trying to make the people believe that the Constitutional Amendment, making all Negroes citizens, is to be submitted to the people, like the Soldiers voting amendment, and that they will vote against it—that they only want votes now for Geary. *Be not deceived.* The amendment to make Negroes citizens, will only be voted on by the STATE LEGISLATURE, AND NOT THE PEOPLE. If you elect Geary and a Radical Legislature, all Negroes become Citizens and Voters. Be not deceived by the party that gives a Negro Soldier $300 bounty, and a White Soldier only $100.

☞ In 1848 Johnson, Whig, was elected Governor of Pennsylvania by 362 majority. In 1851, Bigler, Democrat, by 8,465. In 1854, Pollock, Whig and American, by 37,007. In 1857, Packer, Democrat, by 42,751. In 1860, Curtin, Republican, by 32,164. In 1863, Curtin, by 15,825. In 1863, Clymer, Democrat, will be by 10,000.—*Patriot & Union.*

☞ There is a secret society composed of negroes in Bedford county, called the "Equal Rights League of Bedford, No. 38." They had a celebration on the 14th, and were addressed by Jonathan B. Cessna, Chairman of the Radical County Committee. This gathering they wound up in a riot, attacking and beating almost to death Mr. Nehemiah Fleegle, a white man, who was driving his team quietly along the public road. General Geary is the candidate of the party which thus excites negro outrages upon white men, and the latter must take care of their rights at the polls.

☞ John W. Geary, the disunion candidate for Governor, has accepted the negro-suffrage platform, and boldly proclaims himself in favor of all the schemes of the "Congressional Directory." How can any advocate of a white man's government give him his vote?

☞ Geary tries to show that while Governor of the Territory of Kansas, in 1856, under appointment of President Pierce, he was a secret traitor to the Democracy. The New York *Tribune*, of that date, and all the Abolition papers, denounced him as a Democratic "Border Ruffian." What is he now?

☞ Archibald, the Disunion candidate for Congress in the 12th district, was nominated over Maj. W. H. Jessup, a soldier of the war. Take a back seat, Major; soldiers without wool are below par in your mixed organization.

☞ The Newburyport *Herald*, in an article extolling the peculiar characteristics of Butler, concludes that General Butler will be the Radical candidate for the Presidency in 1868, against General Grant, the Conservative candidate.

Colored Delegates to the Radical Convention in Philadelphia, Arrested for Burglary.—Two colored persons, Charles Washington and John Harris, have been arrested in Plainfield, New Jersey, on the charge of entering a dry goods store and stealing two hundred dollars worth of goods. On their persons were found their credentials as regular delegates to the convention of Radicals in Philadelphia, and acknowledged as such by that body.

THE "DESERTER ACT" AGAIN.

A WARNING TO ELECTION OFFICERS.

Disunion newspapers are insisting upon it that the decision of the Supreme Court in the "Deserter Case" (Riley versus Huber) does not invalidate the act which was passed by the last Legislature to carry into effect the act of Congress—the same act which was upset by the decision in question. They admit that the State act is a corollary to the act of Congress, but yet very incousistently contend that the branches can live after the root has been destroyed. The State act says:

"That in all elections hereafter to be held in this Commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot or ballots from any person or persons embraced in the provisions and subject to the disability *imposed by said act of Congress* approved March 3, 1865, and it shall be unlawful for any such person to offer to vote any ballot or ballots."

This shows that the State act is based upon the act of Congress.

This act of March 3, 1865, having been rendered null and void by the decision of the Supreme Court *except in cases where deserting soldiers and sailors* HAVE BEEN TRIED BY A COURT MARTIAL, CONVICTED AND SENTENCED TO SUFFER DISABILITY UNDER SAID ACT—*therefore the State act is rendered null and void also.*

The decision of the Supreme Court is perfectly clear upon this point. After quoting several previously enacted laws upon the subject, the judges say:

"All these acts of Congress manifestly contemplate trial for desertion in courts martial, and the infliction of no punishment or forfeiture except upon conviction and sentence in such courts."

Then, speaking of the act of March 3, 1865, they say:

"It refers plainly to pre-existing laws. It has the single object of increasing the penalties, but it does not undertake to change or dispense with the machinery provided for punishing the crime."

And again:

"It means that the forfeiture which it prescribes, like all other penalties for desertion, must be *adjudged* to the convicted person after trial by a court martial and sentence approved. For the conviction and sentence of such a court there can be no substitute. They alone establish the guilt of the accused and fasten upon him the legal consequences."

The act itself does not contemplate disfranchisement without trial and conviction by court martial, for the 13th section (which declares that any person failing to report upon notice of being drafted shall be deemed a deserter,) declares that such person

—"shall be arrested by the provost marshal and sent to the nearest post *for trial by court martial,* unless, upon proper showing that he is not liable to military duty, the board of enrollment shall relieve him from draft."

It is thus abundantly clear that the formidable lists of so-called deserters (60,000 names, we are told,) which the Disunionists have prepared and sent out to boards of election must be disregarded in every instance, except in those cases where a deserting soldier or sailor *has been tried by court martial; sentenced to disfranchisement under the act, and the sentence has been approved!*

In regard to election officers who may presume to disfranchise men who have not been tried and sentenced, as above, the court says:

"Neither our Constitution nor our law has conferred upon the judges of elections any such judicial functions.

"Moreover, it is not in the power of Congress to confer upon such a tribunal, which is exclusively of State creation, jurisdiction to try offences against the United States."

This clearly makes it evident that election officers shall not undertake to adjudge or inflict the punishment of disfranchisement upon any voter constitutionally qualified, notwithstanding his name may be upon a so-called list of deserters.

The Constitution says that *every native white male citizen above the age of twenty-one years, of sound mind and not a convicted felon, who has resided in the State one year and has paid a State or county tax within two years,* SHALL BE ALLOWED TO VOTE. Election officers cannot nullify this provision of the Constitution without making themselves liable to severe punishment. They cannot shelter themselves from the penalty by interposing the State disfranchisement act. THE CONSTITUTION IS THE SUPREME LAW; *and, where its provisions are so plain and distinct,* and on part of the Legislature is *so clearly violative of it,* the courts will hold them *responsible for disregard of the fundamental law.* Suppose that a corrupt Legislature should (as some succeeding Union majority may do) pass an act requiring election officers to receive the ballots of negroes; would those officers be justifiable in doing so in the face of the Constit

ELECTION, Next Tuesday

LAST RALLIES!

Johnson and Clymer meetings will be held as follows:

At FAIRFIELD, THIS (SATURDAY) EVENING.

At CORWELL'S, on MONDAY EVENING next.

At HEIDLERSBURG, on MONDAY EVENING next.

It is hoped that the friends of Johnson and Clymer, and a White Man's Government, will turn out in their strength to these LAST RALLIES of the campaign.

THE WHOLE TICKET!

Democrats, vote your WHOLE TICKET! Desperate attempts will be made to induce you to scratch off a name here and there, for some local or personal reason. If they succeed, those who invite you, will afterwards laugh at your folly and brag about their success in controling you. STICK TO THE TICKET, is a fine old motto. At this election it is particularly important. Every candidate who favors Negro Equality must be defeated by the largest majority possible. All these Negroites and Negroisms must be dispensed with, and the way to do this is to defeat their candidates, and the way to do that is to vote for every one opposed to them. *So STICK TO THE TICKET!*

BEWARE OF ROORBACKS!

Never was a party more desperate than the Radicals are now. They stop at nothing. No abuse is too foul—no falsehood too gross—for them to resort to. We therefore caution the public against any lies they may circulate between this and Tuesday next. Believe none of them. They will only be started to GULL and DECEIVE the public.

BE SURE TO VOTE.

Every Democrat and every Conservative Republican, without one solitary exception, should be at the polls on election day. Whoever fails to go will fail to perform the solemn duty he owes to his country. This is no time to stay at home from light and trifling causes. The political situation is one of great gravity, and the Conservative voter who stays away from the polls will incur a responsibility of no ordinary weight.

BRIGHT SKIES!

The great Conservative party may honestly congratulate itself upon its brilliant prospects. The cloud has passed away, the skies are bright. All that is now necessary is to press the good work to its consummation. A few days yet remain in which a great amount of good may be accomplished. See to it then, that every man is brought to the polls on TUESDAY NEXT.

VOTE FOR CLYMER,
AND YOU VOTE FOR THE UNION!

AS PLAIN AS DAYLIGHT,

Honest Republican, opposed to negro suffrage and negro equality, did you ever see or hear of a Radical procession with any such mottoes as "no negro suffrage," "no negro equality," "a white man's government," &c., upon their banners and transparencies? Do you, on the contrary, ever see or hear of a Democratic celebration without such mottoes?

Can you doubt then which is the White Man's Party, or for which party you should cast your ballot if you desire to prevent negro equality?

ROBERT LINCOLN,

The oldest son of the late President Lincoln, is outspoken in favor of President Johnson. He says Mr. Johnson's reconstruction policy is the same as his father inaugurated, and of course he is in favor of it. He says also that his mother is of the same way of thinking. Friends of the late ABRAHAM LINCOLN!—who will you follow, Robert Lincoln, or old Thad. Stevens, the bitter reviler of the late President?

CLYMER AND THE UNION!

Now, honestly, is not the issue between Clymer and Geary just this: Shall the Union be restored, or shall the Southern States be kept out of the Union till they agree to the degrading condition of Negro Suffrage? No one will deny that this is the issue. How, then, can any Union man vote for GEARY?

VOTE FOR CLYMER,
AND YOU VOTE FOR THE CONSTITUTION!

To Government Bondholders.

Bondholders! How much do you suppose your bonds will be worth when the civil war and anarchy which the Radicals threaten, is inaugurated? Put down these destructionists at the polls, and, by so doing, serve your country as well as your own interests.

FRIGHTENED.

The enemy are terribly alarmed at the defection from their ranks. The are trying to conceal their fright by keeping up a bold front, by bragging and blowing, but all in vain. They know that they are doomed, and they cannot conceal their despondency. Democrats, now is the time to charge the dispirited foe! Now is the time to secure their utter discomfiture! Forward, Democrats!

VOTE FOR CLYMER,
AND YOU VOTE FOR PEACE!

☞ VOTE THE ENTIRE DEMOCRATIC TICKET. IT IS COMPOSED OF GOOD AND TRUE MEN. THERE IS NOT A MAN ON IT IN FAVOR OF NEGRO SUFFRAGE.

PEOPLE OF PENNSYLVANIA, READ!

ADDRESS OF THE STATE CENTRAL COMMITTEE.

DEMOCRATIC STATE COMMITTEE }
ROOMS, 828 WALNUT ST., PHIL'A. }

TO THE PEOPLE OF PENNSYLVANIA:

The Democratic party in its platform of principles, adopted at Harrisburg, on the 5th day of March, 1866, resolved

1. That the States whereof the people were lately in rebellion are integral parts of the Union, are entitled to representation in Congress, by men duly elected, who bear true faith to the Constitution and laws, and in order to vindicate the maxim that taxation without representation is tyranny, such representation be forthwith admitted.

2. That the faith of the republic is pledged to the payment of the National debt, and Congress should pass laws necessary for that purpose.

3. That the white race alone is entitled to the control of the government of the republic, and we are unwilling to grant to negroes the right to vote.

Upon this platform we placed our candidate for Governor, and with these principles we confidently look for success in this contest.

Our opponents in their Convention held at Harrisburg on the 7th day of March, 1866, also adopted a platform, and nominated a candidate. The principles they enunciated appear to be lost sight of, and the proposed constitutional amendment takes their place as the rule of Radical orthodoxy, and to it their candidate gives his unhesitating support.

Negro equality and negro suffrage are the essential elements in that amendment. By it the negro is made the equal of the white man in all his "privileges and immunities." The right of Pennsylvania to make laws to regulate the migration of negroes into the State is denied and she is deprived of her just share of representation in Congress unless her Constitution be amended and the negro allowed to vote.

The Radical candidates for Governor and for United States Senator; their leaders of public sentiment; their speakers and their newspapers are open advocates of this amendment, and their practice accords with their profession, for they mingle with the negro in social intercourse, in political conventions, and in public processions.

We hold that the negro is not the equal of the white man, and whilst we accord to him freedom and protection of person, with the right to enjoyment of the fruits of his labor and aid in intellectual advancement, we affirm that our own race is entitled to control the entire machinery of the government.

Sustain this amendment, and you give to the negro the right to aid in governing you; defeat it, and you maintain your own right of sovereignty.

EVERY MAN WHO VOTES FOR GEARY OR FOR A RADICAL CANDIDATE FOR CONGRESS, VOTES AS DISTINCTLY FOR NEGRO SUFFRAGE AND NEGRO EQUALITY AS IF THEY WERE PRINTED ON HIS BALLOT.

DEMOCRATS OF PENNSYLVANIA!

Power is no longer against you, but ranges itself upon your side. Opportunities for fraud do not exist. Aid comes to you from the ranks of the enemy. No Democrat who voted for McClellan votes against you now; your brethren are aroused from the Lakes to the Delaware. A change of five per cent. upon the vote of 1865 will sweep your opponents out of existence. You can count it in every election district in the Commonwealth; and if you will but execute the details of your organization, success is certain.

Faith in your principles, courage for the contest, and a determination to poll every Conservative vote, are the only requisites to an assured victory.

By order of the Democratic State Committee.

WILLIAM A. WALLACE, Chairman.

SPURIOUS TICKETS!

Beware of SPURIOUS TICKETS! Fraud is a common weapon with the Radicals, and in their present desperation they will use it in any and every shape possible. Democrats and Conservatives watch them at all points.—especially watch the tickets. The Radicals will have spurious ones at every poll. EXAMINE EVERY NAME, and *be sure* that every name is right.

Let Election Officers Take Warning.

The law intended to prevent Deserters and non-reporting men from voting, passed by the Legislature last winter, is of no force or binding effect. Any election officer refusing such votes is liable to indictment. None can be refused their votes who are otherwise entitled, except on the presentation of the certified record of their trial and conviction of desertion, and every officer of the election who refuses the vote of any citizen on the charge of desertion, *except on the record of his court-martial and conviction*, will be indicted and prosecuted to the full extent of the law.

VOTE FOR CLYMER,
AND YOU VOTE FOR PROSPERITY!

☞ The Radical leaders here seem to be very sore because Col. R. C. Swope has taken position upon the Constitutional platform of President Johnson, and opposes the revolutionary designs of such old Union haters as Thaddeus Stevens, Wendell Phillips, and Fred. Douglass. Col. Swope used to be, in the eyes of these Radicals, a very proper and patriotic man; but when, last spring, he expressed himself in favor of the President's policy, they began to waver in their admiration of him; yet hoped to be able to brow-beat him back into their organization. Having utterly failed in their advances, and realizing the fruitlessness of further persistence in them, they are now resorting to the game of abuse and detraction, with a view to lowering him in the respect of the people, and thus impairing his influence. But it won't work. Col. Swope came out of the war with a spotless record, and all these Radical traducers can say will only have the effect of rallying around him a larger body of friends than he has ever had before. Mark that!

VOTERS, REMEMBER,

That the Constitutional Amendment advocated by the Radicals, would, if adopted, at once make the Negro a CITIZEN—and, being a citizen, it would deny any State the right to abridge his "PRIVILEGES or IMMUNITIES."

This would give the negro the privilege *to vote, to hold office*, and to *sit upon juries* with white men.

☞ Gen. Grant says, in a letter to Gen. Hillyear, Sept. 15, 1866: "I WANT EVERY MAN TO VOTE ACCORDING TO HIS OWN JUDGMENT, WITHOUT INFLUENCE FROM ME." This settles the Disunion lie that he had declared for Geary and against Clymer.

☞ Beware of LYING HANDBILLS! The Radical leaders are in the habit of issuing lying cards on the eve of the election, with a view to DECEIVING! Give them no countenance.

VOTE, ON TUESDAY NEXT!

The "Deserter" Fraud.

McConaughy introduced the "Deserter" bill in the Senate last winter, and though passed by a strict party vote, he seemed to be the only one willing to father the disgraceful bantling. He is therefore specially anxious to "try it on" in his own county, and is telling his party Judges that they must exclude the votes of all men whose names have been placed, no matter how or by whom, upon certain lists printed at Harrisburg and sent out to the different counties. This is cruel advice—advice which will subject every Election Judge who adopts it to the severest penalties. It is a serious thing to deprive a legal voter of his suffrage, and those who do it must take the consequences. The Supreme Court has decided that a deserter *must have been tried by a Court Martial*, properly sentenced, and sentence approved. All not so tried are qualified voters—and such as may be refused should at once prosecute the Judge so refusing. Already have two Republican President Judges in this State fined Election officers for acting upon such advice as McConaughy is now giving—and just so sure as it is adopted here will the same punishment be meted out.

So positive is Hiester Clymer in regard to THE LAW on this subject, that whilst here, on Thursday last, he authorized us to say that he will hold himself personally responsible for every cent of damages resulting from taking the votes of men whom McConaughy is thus seeking to disgrace and disfranchise. Surely no better backing could be asked.

Bounties to Negroes.

WHAT KELLEY SAYS ABOUT IT.

On Thursday, the 20th, Hon. William D. Kelley made a speech at Norristown. He was interrupted by a Radical who inquired, "How about the negro bounties?" To this Kelley replied as follows:

"Your representative says that we have given the negro three hundred dollars, and the white man but one hundred; that is true, but he did not tell you that the black man who had fought side by side with the white man had never received any bounty before, while the white soldiers had."

He acknowledges the whole thing, that the negroes are given 300 dollars bounty, while the white soldier is to get but one hundred more. The excuse he gives is that the negro had never received any bounty and that the white soldier had. The white soldiers he refers to had only received $100, and are to receive $100 more, which makes $200 while the negro gets $300 by Kelley's own admission. This makes him $100 better than the white soldier.

Is not this discriminating in favor of the negro?

Government Bonds.

The Radical press and stump speakers are endeavoring to make capital by representing that in the event of the Democrats and Conservatives succeeding in the present election, it will have a tendency to depreciate our Government bonds. Now it is well known that these securities are held by Democrats as well as Republicans, and when such capitalists as John Jacob Astor, Stewart, Vanderbilt and others possessing millions, endorse President Johnson's policy, they look upon it as the most secure policy to keep up the finances and save the nation from loads of debt in the future, under a Radical Rump Congress.

The President and the Amendment.

A special Washington despatch to the Philadelphia *Inquirer* says:

All statements to the effect that the President had announced his determination to recommend the adoption of the amendments to the Constitution by Congress, *are utterly unfounded*. He has not said one word to any one that he was in favor of those amendments. We have good reasons for saying that Mr. Johnson will adhere strictly to the policy that has characterized his Administration.

THE TICKET!

Democrats and Conservatives, before you deposit your tickets in the hands of the Inspectors, see that they contain the following names—all of them—*and each name in the right place:*

STATE.

Governor,
Hiester Clymer.

JUDICIARY.

Associate Judge,
Isaac Robinson.

COUNTY.

Congress,
J. McDowell Sharpe.
Assembly,
Nicholas Heltzel.
Sheriff,
Philip Hahn.
Register & Recorder,
William D. Holtzworth.
Clerk of the Courts,
Adam W. Minter.
County Commissioner,
Nicholas Wierman.
Directors of the Poor,
John Rahn, 3 years,
John Nunnemaker, 2 years,
County Auditor,
Henry L. Bream.
Coroner,
Dr. Wm. J. McClure.

☞ Says the Clarion *Democrat*, "we notice that one of the longest lists of deserters published, is that of the 28th Pennsylvania—Geary's old regiment." It is scarcely to be wondered at that men would desert such a commander as Geary is represented to be by boys in blue who served under him

☞ The Abolition papers say that "Black is the *loyal* color at the South, as white is the *disloyal*." This is not complimentary to Brownlow and Botts.

The same papers advocate negro suffrage, and say that—

"THE BLACKS IN AN EMINENT DEGREE SAVED THE COUNTRY DURING THE WAR."

Let us see about this:
White troops in service 2,154,311.
Negro troops in service 180,000.
There were just twelve times as many white troops in service as there were black ones, and yet the negroes, we are told, "*saved the country.*"

The white soldiers are asked to endorse this infamous sentiment by voting for Geary.

☞ If you vote for Geary, you vote for another War! Has there not been bloodshed enough?

THE MASS MEETING!

AN IMMENSE DEMONSTRATION!

1840 and 1844 Outdone!

From 8,000 to 10,000 People! 1,000 Horsemen!

Big Delegations, Big Teams, and Troops of Horsemen from all parts of the County.

The States Represented by Thirty-Six Ladies on Horseback!

UNBOUNDED ENTHUSIASM!

Speeches by Clymer, Sharpe, Cleveland, Lamberton and Stenger.

Thursday last was the proudest day ever enjoyed by the Democracy of Adams. A large meeting was expected, but the demonstration then witnessed far exceeded the most sanguine calculations. A political gathering so immense never before had a place in the history of Gettysburg. So our oldest Democrats claim, and candid Republicans admit it.

Early in the day, people from the different parts of the county commenced pouring in, and by nine o'clock the town had assumed quite a lively appearance. But when the delegations began to arrive, the scene increased momentarily in interest, and what with the rapidly swelling crowd and the outgushing enthusiasm, it became one altogether beyond our power to describe. Cheer succeeded cheer as the horsemen, and the big teams, with their flags, and banners, and hickories, and music, filed by, covering almost every street in the town—creating the wildest enthusiasm ever witnessed here.

Straban and Reading came in early, in handsome style, with a large body of horsemen, vehicles, music, &c., and were received with such shouts as only honest and earnest Democrats know how to give.

Franklin made a proud display, exceeding all expectation. Buchanan Valley was out to a man, with three of the biggest kind of teams, whilst the entire township contributed nobly to swell the delegation, which was preceded by a large troop of horsemen, followed by half a dozen monster teams, with a telling representation of the gun captured by Geary at Harper's Ferry, to wit, a log of wood on the front carriage of a wagon, with *a suitable inscription over it.* A "dead duck" was also properly exhibited.

Hamiltonban, Liberty, Highland and Cumberland came in rousing force, with any quantity of horsemen, big teams, and smaller vehicles, music, "dead duck," &c., exhibiting the wildest enthusiasm from one end of the long line to the other.

Butler turned out in splendid style, getting up full sixty horsemen, with a goodly number of vehicles, and was handsomely assisted by Menallen. Making so beautiful a display, it was received with cheer upon cheer. The Bendersville Band accompanied it.

Littlestown, Germany, Mountjoy, Mountpleasant, Union and Conowago came in one body, and a grand display they made. The delegation covered miles in length, with almost a regiment of horsemen in front, followed by the Littlestown Brass Band, a striking representation of the "dead duck" in crape, and big team after big team, all decorated with hickories, and loaded down with enthusiastic Democrats and Conservatives. Of course they elicited cheers on all sides. The town now began to be a jam, delegations occupying almost every street, and the welkin ringing with shouts for Clymer.

Tyrone, Huntington and Latimore also sent a fine delegation, with a large proportion of horsemen. They were warmly received along the entire route.

From the eastern section of the county, the two Berwicks, Oxford, Hamilton, &c., a splendid turn out was also made, bringing the East Berlin Band, and contributing the great feature of the display —*Thirty-six ladies on horseback, representing the thirty-six States of the Union!* The ladies were all dressed in white, with blue sashes, and delicate wreaths of flowers upon their hats. It constituted the most magnificent picture we ever saw in a political demonstration, and was received with the most unbounded expressions of admiration. We know that a number of our friends in that section went to much trouble to get up this representation, but the manner in which it was received must have made them feel prouder than ever they felt before.

Freedom, with Emmitsburg sent us a handsome delegation, whilst the excursion train from Hanover brought full eight hundred people.

All the delegations had flags, banners, wreaths, &c., with any variety of devices, many of them of the most telling character—but want of time and space forbids their enumeration.

The Democrats of town had decorated their houses with flags, wreaths of flowers and evergreens, &c., all looking well and some of them strikingly beautiful. We cannot go into particulars however.

The Gettysburg Band was used in escorting in delegations, and was stationed at the stand in the afternoon. All the bands performed in a superior manner.

The cannon, "Penelope Ann," was brought out, in bright trim, early in the morning, and thundered forth her invitation in tones eloquently loud. The gun was fired at intervals during the day, and appeared in the grand procession at 1 o'clock, drawn by four fine horses, each properly mounted. This branch was under the command of Serg't. Jerome Martin, who discharged his duties admirably.

Adj. J. H. White, Chief Marshal, was on the ground early, with his Aids, and notwithstanding the oft-threatened confusion, because of the immense length of the several delegations, the grand procession was successfully formed, and moved through the principal streets without the slightest balk or mishap.

Chief Marshal White was assisted by the following gentlemen as Aids: J. P. McDivit, Esq., Jerome Keller, Dr. A. B. Dill, Serg't. George D. Binder, Dr. C. E. Goldsborough, Capt. F. J. Wilson, Capt. Jacob H. Plank, Lieut. George K. Duttera, Lieut. S. H. Eicholtz, Lieut. J. C. Pittenturf, Abner Mark, Capt. W. J. Martin, Major D. J. Benner, A. D. C., J. C. Neely, Esq., Wm. McClean, Esq., and Sheriff Rebert.

Capt. R. McCurdy, of Gettysburg, and Joseph Leib and Joseph Dellone, Esqs., of Hanover, as the Committee of Escort, proceeded to Hanover Junction in the morning, and escorted Mr. Clymer to within half a mile of this place, where the train was stopped, and, alighting, our distinguished candidate was received by the following Committee of Reception:

Hon. Wm. McSherry, Major Jacob Sanders, George Swope, Esq., Col. Joseph J. Kuhn, and Jacob Lott, Esq.

Mr. Clymer, with several members of the Committee, were given seats in an open barouche, drawn by four black horses; the balance of the Committee following in a hack. The escort to the party consisted of five or six hundred horsemen, and passing along the line to the head of the procession, the grand parade took place. Arrived at the Diamond, Mr. McSherry made a speech of warm welcome, which was happily responded to by Mr. Clymer. The delegations were then dismissed.

At about half-past two o'clock, the meeting was called to order at the large stand erected in front of the Court-house, the streets cornering there being a perfect pack of people. The following gentlemen were appointed officers:

President, HON. DAVID ZIEGLER.

Vice Presidents, Hon. Moses McClean, Hon. Daniel Sheffer, Hon. Isaac E. Wierman, Hon. James H. Marshall, Michael Stambaugh, Col. R. C. Swope, Wm. Culp, Joseph P. McDivit, Esq., W. Secretaries, Abner Mark, John Raffensperger, Alex. Jacobs, Capt. J. S. Forrest, Henry Beltler, G. B. Yantis, Dr. E. F. Shorb, G. W. Greenholtz, Abraham Sell, Hamilton King, C. E. Kuhn, Raphael Sherfy, J. W. Marshall, Francis Hildebrand, Capt. Charles F. Hinkle, Edward Sheaffer, John G. Brinkerhoff, S. G. Sneeringer, Dr. A. Holtz, Dr. E. W. Mumma, Lieut. J. C. Pittenturff, Joseph Spangler, Peter Dellone, Samuel J. Brady, F. N. W. Bowers, Thomas G. Neely, Peter Stoner, Francis J. Wilson, J. W. Lott, Esq., Abraham Hart, Levi M. Plank, F. H. Ebert, Wm. Overdeer, Richard Fitzgerald, Henry H. Orner, G. W. Hartman, J. L. Jenkins, P. A. Myers, Frederick McIntire, Lieut. W. C. Beck, Jacob Kime, J. A. Elder, Cornelius Daugherty, Wm. Irvin.

Wm. A. Duncan, Esq., Chairman of the County Committee, then introduced, in a few fitting remarks, Hon. Hiester Clymer, the Democratic candidate for Governor of the Commonwealth. Mr. Clymer's appearance was greeted with the wildest enthusiasm, the cheers lasting some time. He proceeded to address the vast concourse, and in a speech of great power, reviewed the issues of the day, and tore to tatters the various slanders hurled at him by an unscrupulous opposition. He spoke for nearly two hours, and must have carried conviction to every candid mind. We will not attempt to sketch the speech, feeling sure that we could not do anything like Justice to it.

Mr. Clymer was followed by the Hon. Perkins Cleveland, of N. Y., who briefly but forcibly urged upon the people the duty of electing a conservative statesman like Hiester Clymer in this trying hour of the nation's history.

Hon. J. McDowell Sharpe, the Democratic candidate for Congress, concluded the speaking for the afternoon in a speech replete with sound arguments and honest truths.

The mass meeting then adjourned with ringing cheers for Clymer, Sharpe, the Democratic ticket, the Union, the Constitution, the Flag of Thirty-six Stars, and a white man's government.

☞ In the evening, another meeting was held in the Court Hall, presided over by George Swope, Esq., assisted by Maj. Jacob Sanders, Capt. R. McCurdy, H. D. Wattles, Geo. T. Hudson, Daniel Spangler, Edward Menchy, Philip Redding, Esq., William Shillenn and Andrew Pottorff, as Vice Presidents; and John Wertz, S. A. Gilliland, Emanuel Ziegler, of J., George F. Kalbfleisch, R. D. Armor and J. Jeff. Myers, as Secretaries. A large number of ladies graced the meeting with their presence.

R. A. Lamberton, Esq., of Harrisburg, and W. S. Stenger, Esq., of Chambersburg, addressed the meeting, both speeches abounding in unanswerable facts, and put forth in such terms of eloquence and power as to crush out all cavil or objection. The speeches were received with frequent applause, and when the meeting adjourned, cheer followed cheer for the Union and its candidates.

So ended the most successful political demonstration ever witnessed in our now historic town.

THE LOWER END AROUSED!

GRAND RALLY AT LITTLESTOWN!

A MASS MEETING!

The Johnson and Clymer meeting at Littlestown, on Tusday evening, was a glorious demonstration. Though assembled on short notice, the gathering proved to be a MASS MEETING. It was, without exaggeration, one of the largest political assemblages we ever saw in a country town. The Lower End was out in force, whilst an extra train from Gettysburg, Oxford and Hanover contributed handsomely to swell the crowd. The enthusiasm was unbounded—everybody was jubilant.

Upon the arrival of the train at Littlestown, a progession was formed, which reached several squares in length. Headed by the Littlestown Brass Band, it was marched through the principal streets, Jacob Klunk, Esq., acting as Chief Marshal; and returning to the Railroad Hotel, the meeting was there organized by Hon. Wm. McSherry, who after a speech of some length, abounding in solid and telling arguments, proposed the following list of officers, which was unanimously concurred in:

President, Joseph Fink, Esq.

Vice Presidents, Jacob Baumgardner, John Smith, Sr., Moses Hartman, Esq., Levi Golden, Wm. Duttera, Amos Lefever, George Wintrott, Jesse D. Newman, Esq., Peter Wolf, John Cover, Samuel Shirk, Joseph L. Shorb, Henry Little, Jacob Trone, Michael Harnish, Adam Rebert, Esq., Samuel Wolf, Esq., Jacob Brinkerhoff, Capt. John S. Forrest, Wm. Solliday.

Secretaries, Simon S. Bishop, Charles Booth. Major D. J. Benner, G. W. Welsh, Capt. Wm. J. Martin, Alexander Jacobs.

Wm. S. Stenger, Esq., of Chambersburg, was called out, and made one of the best speeches ever listened to in that town. Wm A. Duncan, Esq., followed, in a very happy argument, and was succeeded by Dr. Peffer and Dr. McClure, who also pleased the people with their remarks. H. J. Stahle concluded, when the meeting adjourned with magnificent cheers for Johnson, Clymer, the whole Democratic ticket, the Union, the Constitution, the Flag of thirty-six stars, and the white people of the nation.

The Littlestown Band discoursed most charming music during the evening, and at the close was complimented with three hearty cheers. Thus closed one of the most cheering demonstrations of the campaign.

Meeting at Arendtsville.

The Johnson and Clymer meeting at Arendtsville, on Wednesday evening, was well attended, and the right spirit prevailed. The officers were:

President, Philip Fried.

Vice Presidents, Benjamin Deardorff, Samuel Swope, Burkhart Wert, Henry Wildesin, Andrew Oluck, Henry Hartman, Joseph Wolf, John Lentz, Moses Raffensperger, George A. Corwell, James Russell, Esq., William Miller, Philip Cutshall.

Secretaries, Capt. J. H. Plank, John Raffensperger, Jesse Spahr, George Plank, Jacob Shellaman, Elias Spangler, Noah W. Hartman, A. S. Weaver, Daniel Fried, Lewis Garbaugh, George Fried, Adam Deardorff.

Able and forcible speeches were made by W. A. Duncan, Esq., W. S. Stenger, Esq., and E. W. Stahle, after which a procession was formed, and, preceded by excellent martial music, marched to different parts of town. Dismissed with cheers.

DELAWARE ELECTION.

The Diamond State All Right for the Union.

AN IMMENSE DEMOCRATIC VICTORY.

[SPECIAL DISPATCH TO THE AGE.]

WILMINGTON, Del., Oct. 2.

At the election for Judges and Inspectors of election, held throughout this State to-day, the Democrats swept everything before them. New Castle County, the only Republican county, gives four hundred (400) majority for the Democratic, a gain of 1,200 on the vote for Lincoln in 1864. In this city they carried two wards, and gain 156 on the vote of September 4, last. J.

CONNECTICUT FALLS IN LINE.

The Town Elections Carried by the Conservatives.

TIMES OFFICE, HARTFORD, Conn., Oct. 2.—We have returns from one-third of the town elections of yesterday. The Democrats and Conservatives have made decided gains over the Republicans in Glastenbury, Simsbury, Somers, Middletown, Canton, Granby, etc. Where strict political tests were made, the Republicans were defeated, and every one of their towns were gained to the Democrats.

Counterfeit Tickets!

We were shown on Thursday a ticket well calculated to deceive. It is printed in "Star" type, and contains the names of all the Democratic candidates except that of Nicholas Heltzel. In its stead stands the name of Philip L. Houck, in precisely the same type. We hear, since, of Houck sending these bogus tickets to different parts of the county, and they will of course turn up plentifully on election day.

The other Radical candidates will no doubt resort to the same trick, and we therefore most earnestly caution our Democratic friends against it. Watch it at every poll, and be certain that the tickets are all right before going into the box.

HARD UP!

The Radicals are hard up for an argument. So pure and unexceptionable are the Democratic nominees, that even the vilest slanderer has not dared to attack their moral character. But the Radicals want the Court-house and the Poor-house. These two "houses" have a little patronage, and the Radicals being wolfishly hungry, their desperation to get hold of it knows no bounds. It is really blinding them—so much so as to lead them to the belief that the people don't know anything about the high prices reigning during the last five years! Nobody but a fool would expect county expenses to remain at old figures, when every article used had enhanced in price from three to five hundred per cent. McConaughy and other demagogues like him may suppose the people gullible enough to swallow any sort of nonsense, but we are sure they will resent at the polls such insults to their intelligence. Besides, the Boards of Commissioners and Directors are made up of gentlemen of unblemished characters, who manage their own affairs well and economically, and whose individual integrity has never been impeached. Standing thus fairly and purely before their fellow citizens, an honest public will surely not allow them to be damaged by the mean and cowardly abuse of an unprincipled set of Gettysburg politicians—politicians so cold-blooded as to stop at nothing to attain a political advantage.

Their last "drive" at the Poor-house is the most ridiculous of all. On the day of the Johnson and Clymer meeting at Harry Myers's, the Stewart's son and the teamster, both soldiers, invited four or five soldier comrades to ride with them in a two-horse-wagon belonging to Mr. Johns, to the meeting. Two of the farm horses were used, because there was no special need for them at home. And yet for this trifling thing, the management of the Poor-house is mercilessly assailed, as though everybody having anything to do with it was a rogue and a thief. Really, these McConaughy politicians are the most luminous set that ever cursed an honest community.

☞ We publish the following as a sufficient answer to the unwarranted attacks made upon the Directors of the Poor by some of the Radical leaders of this county:

A CARD.

We have learned that the Annual Accounts of the Directors of the Poor have been published in the columns of the STAR. This is again done on the eve of the election and designed for political effect. Nothing but GENERAL statements are made, yet such as are calculated to mislead the unreflecting reader, and to gross injustice to the worthy and upright citizens who have presided as in recent years in office, and to ourselves. It is not enough, simply to compare sums total during the War, with sums total in 1859, or other years preceding the war, and lose sight of change in prices and loss of crops, occasioned during the battle of Gettysburg. The Annual Accounts may be found in the Prothonotary's office and we further hereby offer our books and accounts at the Alms House for the careful inspection of every citizen who may examine them. If there has been any unnecessary or useless expenditure, let it in justice to all concerned be specified. We challenge a scrutinizing examination of our Books and accounts and would thank any one to show us how less could be spent in the decent and humane care of the poor in our hands.

GEORGE MECKLEY,
JOHN N. GRAFF,
JOHN NUNNEMAKER,
Directors of the Poor.

Oct. 1, 1866.

☞ The Democratic candidates are all upright and honorable men—men against whose characters or qualifications not one word can be said. Vote for them, and you will never regret it.

Rain or Shine, go to the Polls and Vote!

☞ "Election Officers who have any regard for their oaths, *and who are desirous of keeping out of county jails*, will reject the veto of every deserter offering to poll a ballot. *No deserter has a right to vote.*"—*Harrisburg Telegraph.*

What is a deserter? The Supreme Court has decided that a deserter is an enrolled soldier or sailor of the United States service, who, having absented himself from his duty without leave, has been *tried by court martial, found guilty, sentenced, and sentence approved. No soldier* is a deserter, IN LAW, until he has been tried &c., as above, and any election officer who may undertake to disfranchise soldiers who have not been so tried, sentenced, &c., upon the mere record or *list of a provost marshal, or a muster or other roll from the War Department*, will render himself liable to PROSECUTION AND INEVITABLE PUNISHMENT.—*Patriot & Union.*

☞ LET NO DEMOCRAT REMAIN AWAY FROM THE POLLS ON TUESDAY NEXT. POLL EVERY VOTE, AND VICTORY IS CERTAIN.

☞ Should the Radicals succeed in the present contest, they intend to precipitate the country into another civil war, in order to maintain their power. They have openly declared that they will get rid of the President, and they will not hesitate to resort to any means to accomplish their wicked and villainous design. They are boldly bidding for anarchy and revolution. Let bond-holders ponder upon this startling prospect, and calculate the value of their securities, if the Radicals succeed in their schemes of treason and revolution!

All on one Platform.

At Brownlow's Disunion Convention in Philadelphia, Fred. Douglass, John W. Geary and Anna Dickinson, were seated side by side on one platform. What a candidate! What a party!

☞ Coffee might be ten cents a pound cheaper if the national treasury was not robbed of eleven million dollars a year for the benefit of Geary's colored brethren in the South.

☞ The editor of the Shirleysburg *Herald*, in removing the name of Gen. Geary from the head of his columns, declares he is now fully convinced that negro equality and negro suffrage are the grand objects of the Radicals, and that he cannot and will not disgrace himself and paper by giving countenance to the movement.

REMEMBER, Farmers and Mechanics, that so long as the Freedmen's Bureau is maintained at an expense of eleven millions of dollars per year, you will be taxed in every thing you buy to help keep up that institution.

Special Notice Column.

A Humbug.

HOW OFTEN WE HEAR THIS EXPRESSION from persons reading advertisements of Patent Medicines, and in nine cases out of ten they may be right. It is over 19 years since I introduced my medicine, the Venetian Liniment, to the public. I had no money to advertise it, so I left it for sale with a few druggists and storekeepers through a small section of the country, many taking it with great reluctance; but I told them to let any one have it, and if it did not do all I stated in my pamphlet, no one need pay for it. In some stores two or three bottles were taken on trial by persons present. I was, by many, thought crazy, and that would be the last they would see of me. But I knew my medicine was no humbug. In about two months I began to receive orders for more Liniment, some calling it my valuable Liniment, who had refused to sign a receipt when I left it at their store. Now my sales are millions of bottles yearly, and all for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrhea, Dysentery, Colic, Vomiting, Spasms, and Sea sickness, as an internal remedy. It is perfectly innocent to take internally, see oath accompanying each bottle,—and externally for Chronic Rheumatism, Headache, Mumps, Frosted Feet, Bruises, Sprains, Old Sores, Swellings, Sore Throats, &c., &c. The accident happened at the Red Hill. Owens was brought here on the train, but died shortly after. He is said to have been intoxicated, and was warned against standing on the platform.

☞The corner-stone of the new Methodist E. Church at Petersburg, (Y. S.,) in this county, will be laid on Sunday, October 14th, instant.

☞John W. Geary, the disunion candidate for Governor, was a bitter and uncompromising Know-Nothing. He joined in all the persecutions that were inaugurated against foreigners and Catholics on account of their birthplace and religion. When the proscriptive order fell to pieces as a party organization, he still continued his fierce and vindictive hate against adopted citizens. Like the rest of his malignant brethren, he spared neither women or children in the mad crusade against civil and religious liberty, and when cloched with a little brief authority in the army, he treated in the most brutal and shameful manner a number of "Sisters of Charity" on their way to the battle-field to nurse the sick and wounded soldiers. How can any adopted citizen vote for such a candidate?

☞Geary is for Disunion, negro suffrage, a new civil war, and a long train of heavy taxes.

Clymer is for the Union, low taxes, and a white man's government.

Geary is for the negro soldiers who won no battles.

Clymer is for the white soldier who preserved the Union.

Choose ye between them!

☞The Laboring Man earns his dollar a day, by hard work. With this he supports himself, his wife and children. A Republican Congress does not think of voting money to support in idleness the Laboring Men of the country as it does to vote millions of dollars to support lazy negroes! You are *white*, they are *black!*

☞The Southern negroes being hale and hearty and accustomed to work, why should they get eleven millions a year out of the national treasury? Is it "back pay" for their services to their former masters? Will John W. Geary tell us?

The poor white woman weeps when her children ask for bread which she is unable to give them. The Southern negro wench grins as she hands over to her little piccaninnies the provisions furnished by Geary's Freedmen's Bureau.

☞Poor white children have to go supperless to bed if their fathers are unable to earn bread enough for them; but the little niggers of the South have their mouths filled from morning till night by the Freedmen's Bureau of John W. Geary.

Keep it before the People—That while our soldiers at Andersonville and Libby prisons were starving, the Abolitionists refused to exchange rebel soldiers for them, merely because it would be giving *fat* soldiers for *poor* ones, and because the rebels would not exchange for negroes.

Keep it before the People—That you have a revenue stamp on your matches, your meat, your deeds, your wills, your agreements, and on every thing else, in order to raise money to keep hundreds of schools open all year to educate the lazy negro children of idle negro parents.

☞The Radicals profess great love for the defenders of the Republic, yet when General Grant and Admiral Farragut visited Philadelphia they grossly insulted these heroes by refusing to extend to them the hospitalities of the city.

FOR LIVER COMPLAINT.

A SUBSTITUTE FOR CALOMEL.

If your bowels are costive, TRY THEM.
If you have worms, TRY THEM.
If your breath is bad, TRY THEM,
If you feel drowsy, TRY THEM.
If you are low spirited, TRY THEM.
If you have a sick headache, TRY THEM.
If you have taken a drop too much, TAKE A FULL DOSE.
They only cost 25 cents a box. TRY THEM.

Blue Mass, and other preparations of Mercury, actually produce more suffering and death than the diseases which they profess to cure. And yet this corrosive mineral, so denounced by the allopathic doctors, is prescribed by them almost universally in Liver Complaint, Consumption of Lungs, &c.

THE MANDRAKE PILLS

are composed entirely of roots and herbs, obtained from this great Storehouse of Nature, and their salutary effects will appear as soon as the medicine is brought to the test of a fair experiment. SCHENCK'S MANDRAKE PILLS do not produce any nausea or sickness of the stomach; but when given for Dyspepsia, it may be proper to use them in connection with SCHENCK'S SEAWEED TONIC. By this judicious treatment the digestive faculties are speedily restored to their full vigor, and the worst cases of indigestion may be cured.

When we reflect that the liver is the largest internal organ of the body, that to it is assigned the important duty of preparing the bile, and preparing the bile, that it is subject to many disorders, and that when it is diseased or inactive the whole body suffers sympathetically, it is not surprising that a medicine which can restore the healthy operations of the Liver should produce wonderful changes in the general health, and effect cures which may appear to be almost miraculous. Headache of long continuance, severe pains in the side, breast and shoulders, aching of the limbs, a feeling of general weakness and wretchedness, and other alarming and distressing symptoms, indicative of imperfect or disordered action of the liver, are speedily removed by the use of SCHENCK'S MANDRAKE PILLS.

Costiveness, Piles, bitter or sour eructations, and that indescribable feeling of oppression, mental anxiety, languor, lethargy, and depression of spirits which a man for the most part of mankind suffers, and the entire train of nervous ailments, are relieved by the use of SCHENCK'S MANDRAKE PILLS

DR. SCHENCK—Dear Sir:—I take pleasure in sending you a certificate in addition to many you have already received from suffering humanity. I can scarcely find language sufficiently strong to express my heartfelt gratification of the wonderful cures your MANDRAKE PILLS and SEAWEED TONIC have effected in the entire cure of one of the most stubborn cases of the affection of the liver. For three years I suffered beyond description; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrible condition to which I was reduced that life to me had become a burthen; my whole system was in a state of inflammation; I could not eat, I could not sleep; my whole body was filled with pain; swelling would arise in my wrists and ankles, rendering them totally useless. On several occasions I was attacked with a rush of blood to the head, which would fell me to the ground, and I would be carried away for dead. I applied to several eminent physicians of our city, who administered all the

The Great Bone Fertilizer.

B A U G H ' S
RAW BONE PHOSPHATE,

containing 53 per cent. of Phosphate of Lime, and 5.05 per cent. Ammonia.

It should be borne in mind that the Phosphate of Lime in this article being obtained exclusively from RAW BONES and a TRUE BIRD GUANO, there is NO PORTION of it INOPERATIVE, as in the case of SUPER PHOSPHATES made from MINERAL GUANOS—but being entirely SOLUBLE in the SOIL, continues to IMPART its FERTILIZING qualities to the CROPS for YEARS.

The REMARKABLE SUCCESS which has attended its use for years past, is a sufficient GUARANTY to induce those who have not tried it to do so.

The GRAIN CROP where this FERTILIZER has been applied is supposed to have been INCREASED from 25 to 50 per cent. by its use, while for TOBACCO and GRASS LANDS its success has been EQUALLY DECIDED.

Soluble Pacific Guano.

200 LBS. SOLUBLE PACIFIC GUANO contains 70 lbs. *animal matter*, yielding 7 to 8 lbs. *ammonia*.

Also 80 to 90 lbs. *earthy bone Phosphate of lime*, 30 lbs. of which are *soluble phosphate*.

It combines all the advantages of the *best brands* of Super Phosphate, with those of Peruvian Guano.

By reason of its greater *concentration*, we recommend 20 per ct. less by weight to be used per acre, than of any fertilizer costing the same per ton; and no more per acre than of those selling at 20 per ct. more per ton.—Hence *its economy*.

This guano weighs 65 lbs. per bushel, hence in applying it farmers must be governed by weight and not by bulk, for it is much lighter than the Super Phosphates. *Every cargo duly inspected.*

JOHN S. REESE & CO,
GENERAL AGENTS FOR THE SOUTH,
71 *South Street, Baltimore.*

"Flour of Bone."

WE will give a *money* guarantee of the *purity* of this article. It is pure *unsteamed, unburnt bone*, reduced to the *fineness* of *flour*, which adds 100 per ct. to its value. It is *as quick* and *active* as acid *dissolved bone*, hence its value is vastly greater, because it contains neither acid nor water, which necessarily add weight, and reduce the quantity of valuable elements. We recommend 250 lbs. to be used in place of 300 lbs. Super Phosphate or dissolved bone.

THE PERUVIAN SYRUP

IS A PROTECTED SOLUTION OF THE

Protoxide of Iron,

a new discovery in medicine which

STRIKES AT THE ROOT OF DISEASE,

by supplying the Blood with its VITAL PRINCIPLE, OR LIFE ELEMENT—IRON.

This is the secret of the wonderful success of this remedy in curing

DYSPEPSIA, LIVER COMPLAINT, DROPSY, CHRONIC DIARRHŒA, BOILS, Nervous Affections, Caills and Fevers, Humors, Loss of Constitutional Vigor, Disease of the Kidneys and Bladder, Female Complaints, and all diseases originating in A BAD STATE OF THE BLOOD, or accompanied by DEBILITY, or a LOW STATE OF THE SYSTEM.

Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor and new life into all parts of the system, and building up an IRON CONSTITUTION.

DYSPEPSIA AND DEBILITY.

From the Venerable Archdeacon Scott, D. D.
DURHAM, Canada East, March 24, 1865.

* * * "I am an inveterate Dyspeptic of more than 25 years' standing."

* * * "I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. People who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me."

One of the most DISTINGUISHED JURISTS in New England writes to a friend as *follows:*

"I have tried the PERUVIAN SYRUP, and the result fully sustains your prediction. It has made a NEW MAN of me; infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

An EMINENT DIVINE of Boston, says:

"I have been using the PERUVIAN SYRUP for some time past; it gives me new vigor, buoyancy of spirits, elasticity of muscle."

☞ THOUSANDS have been changed by the use of this remedy; from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physicians, clergymen, and others, will be sent FREE to any address.

☞ See that each bottle has PERUVIAN SYRUP blown in the glass.

SEYMOUR THATCHER, M. D., of Herman, N. Y., writes as follows:

"WISTAR'S BALSAM OF WILD CHERRY gives universal satisfaction. It seems to cure a Cough by loosening and cleansing the lungs, and allaying irritation, thus REMOVING THE CAUSE, instead of drying up the cough and leaving the cause behind. I consider the Balsam as good as any, if not the best, Cough medicine with which I am acquainted."

The Rev. JACOB SECHLER, of Hanover, Pa., well known and much respected among the German population of this country, makes the following statement for the benefit of the afflicted:

Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—WISTAR'S BALSAM OF WILD CHERRY—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health.
